## COURSE

---

Currently learning course - **DotNet Full Stack Development**, at Greens Technology - Chennai

## EDUCATION

---

**Bachelor of Engineering**, Computer Science and Engineering, IFET College of Engineering 2020 - 2024  
CGPA: 7.41

**HSC**, Swami Vivekananda Vidhyalaya Hr.sec School, Puducherry 2019 - 2020  
Percentage: 57

**SSLC**, Swami Vivekananda Vidhyalaya Hr.sec School, Puducherry 2017 - 2018  
Percentage: 72

## SKILLS

---

<b>Technical Skills</b>	HTML, CSS, JavaScript, Basic-Python,Basic-SQL
<b>Soft Skills</b>	Teamwork, Problem-solving, Attractive learning
<b>Tools</b>	VS code, Eclipse
<b>Language</b>	Tamil, English

## INTERNSHIP

---

Android and Web App Development - LeMenizInfotech	Feb 22 - Mar 5 2022
Artificial Intelligence - Adventure Technology Solution PVT LTD.	Jul 18 - Jul 29 2022

## PROJECT

---

- Online fingerprint voting using Python
- Hospital Management System
- Machine Learning Based Heart Patient Scanning Visualization and Monitoring
- Machine Learning in IoT Agriculture to Classify Micronutrients and Boost Crop Productivity

## CERTIFICATIONS

---

- Successfully Completed Web Development in management course
- Successfully Completed Artificial Intelligence in Internship

## PROFESSIONAL TRAINING

---

- Web Development training in management studies
- Drone technology workshop
- C2TC Program ,TNS Foundation under Capgemini Project
